FESTIVAL

You are invited to utilise The Tannery's opulent Victorian era atrium as a canvas for your next event. With its iconic French tiled floors, mahogany shop fronts, stained glass, the bespoke iron arches and translucent roof, this reborn industrial precinct is your palette to create truly memorable conferences, celebrations, or cocktail parties. Cassels and Sons'

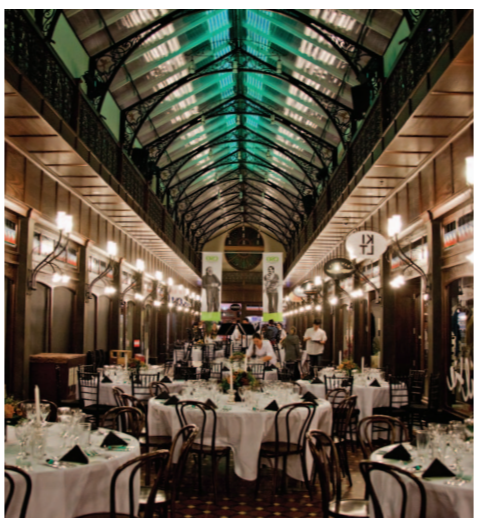

venues welcome groups up to 600 people on over 1,500 sqm fully accessible event space. From early 2016, a modern 230 sqm conference facility will offer additional opportunities within The Tannery boutique shopping emporium. To match the mouth-watering menus created by our Executive

Chef Tony Smith and his international team, we have the full range of Cassels & Sons craft beers which are brewed onsite along with a fantastic selection of wines from Gustav's Wine Bar and the Woolston Market. Brewery tours for our epicurean visitors, paired with beer tastings, will complement

The Tannery experience. With 170 car parks, additional conference parking facilities, and convenient shuttle and coach accessibility, The Tannery is just a short ten minute drive from the CBD, Christchurch's beach suburbs and the recreational grounds of the Port Hills.

8 different facilities in 2 different locations
 to create truly memorable events:

- The characteristic Atrium
- Gustav's Kitchen and Wine Bar including AGA show cooking kitchen
- The Brewery for smaller groups in a casual ambience
- The Opawaho Terrace, a sunny and sheltered setting for high teas and Sunday brunches (opening early 2016)
- The Tanner Courtyard for lazy summer barbecues, live music and impromptu gatherings
- The Woolston Market Tea Rooms including a convenient boardroom
- The versatile and multi-functional Metropolitan Lounge (opening February 2016)
- The CBD Bar & pizzeria, our hub in the central city
