

A photograph of two women in a workshop or studio. The woman on the left is sitting and smiling, wearing a black and yellow plaid shirt. The woman on the right is standing, holding a small black dog, and smiling, wearing a dark grey button-down shirt. The background is filled with various items, including a wooden cabinet, a framed picture, and some tools. The image is framed by green leafy branches on the left and right sides.

WRAPPING UP ANOTHER YEAR

Wow, what a year it's been – once again! A bumpy ride at times, but also a testament to our community's collective strength and resilience.

We've loved seeing a whole heap of amazing people pulling together to keep the Tannery strong. We're so proud to be part of this vibrant family of owner/operators, makers/creators, fans and patrons. If you shopped or visited us this year, your support means the world to us, quite literally!

Now, it's time to start planning celebrations and showing our loved ones just how much they mean to us. What better way than with gifts from The Tannery's unique collection of bespoke, locally owned stores. Think gorgeous goods and cool gadgets, rare finds and keepsakes, vouchers and unique experiences... there's so much to discover and share.

This year, we've put our gift guide online so that we're COVID-prepared. If alert levels change, you can still support your local Tannery whanau and have fun shopping from our emporium-wide collection of gifts and goodies. You can even create your own wishlist, to give 'Santa' a helping hand when picking the perfect gift for you.

A detailed botanical illustration serves as the background. It features large, dark green leaves with prominent veins. In the upper right, there are two red, pear-shaped fruits with green sepals. In the lower right, a cluster of small, round, reddish-brown berries is shown. On the left, a large red flower with a yellow center is partially visible. In the center, a large, white, multi-petaled flower is partially obscured by the text.
